ANNUAL REPORT

TOWN OF NELSON 2012

Dedication

This 2012 Annual Report is dedicated to all who serve the Town of Nelson. Whether elected officials, employees, volunteers, or silent sponsors, you are all an important part of this community.

This dedication declares our appreciation for each and every one of you who make Nelson a wonderful place to call home.

When we think of community service there is one group of men and women who are a universal example of service. This example holds true in the Town of Nelson as well. Our cover is a snapshot of some of these men and women. They are the Nelson Fire Department and Rescue Squad.

Each member devotes untold hours of training to prepare for service at times of emergency. They do this knowing that their own lives may be interrupted, without warning, and even put at risk. In spite of that they step forward to offer help whenever needed. This commitment to service made them the choice for this year's cover photo.

In the pages that follow you will find more examples of years of work and love for this Town. This includes a special dedication to Teri Upton, who is retiring as Town Clerk/Tax Collector after fourteen years, special recognition of Bert Wingerson, Town Archivist, Kris Finnegan, Library Director, Gordon Peery, Designer of the library sponsored, Town of Nelson website, and Edith Notman, retiring Deputy Town Clerk.

While you will find photos of many familiar faces, please know that this dedication extends well beyond those you find specifically mentioned in this report. Our appreciation includes all who have served Nelson through nearly 250 years and those who will continue to serve for generations to come.

Spotlight on Service

Teri Upton

Town Clerk/Tax Collector 1999-2013

When Teri became Town Clerk/Tax Collector in 1999, the office was on the second floor of the Brick Schoolhouse. Forms were usually hand-written or typed. Fees were totaled on a hand calculator. Internet service was dial-up.

Today, Nelson has one of the most up-to-date offices of any small town in the state. Vehicle and boat registrations, the tax system, vital records and election procedures have all been computerized and streamlined to a degree unimaginable in 1999.

Teri is largely responsible for this. Much of the work involved in her job is never seen by the public, who know her only as our friendly, knowledgeable and thoroughly professional Town Clerk/Tax Collector. However, behind the scenes she has efficiently shaped new technology and innovations to fit Nelson's needs.

She has also been active on the state level. Upon election, she began the coursework required to become a Certified Town Clerk and Tax Collector, taking courses one full week each summer for four years to obtain certification in both positions. She has served as Monadnock Co-Chair on the Executive Board of the NH City and Town Clerks Association, and as Cheshire County Coordinator for the Tax Collectors Association.

She has, in short, set a high standard for her successors. We wish her well in her retirement, and we expect she'll remain busy – with family, especially her beloved granddaughters, with favorite activities such as travel and cooking and, we hope, with a sequel to her Pennsylvania Settlement book.

Thank you, Teri, for everything you've done for Nelson.

Special Recognitions

In addition to the dedications, we wish to offer special recognition to four more people who have given notable service to our Town. They are Roberta Wingerson, Archivist; Kris Finnegan, Library Director; Edith Notman, Deputy Town Clerk/Tax Collector; and Gordon Peery, Webmaster.

Bert founded our Nelson Town Archives in 1986 and has served as our Town Archivist since that time. In that role, she has done an exemplary job of organizing our extensive Town records

and establishing a safe, climate-controlled archive. Bert created the History Corner in the Town Offices in 2000. You'll find the display case located in the foyer of the Old Brick Schoolhouse. In addition, she was responsible for filing Nelson's successful application to add our Town Hall to the New Hampshire State Registry of Historic Places.

Edith has served as our Deputy Town Clerk/Tax Collector for the past eleven years and will be retiring from the position this March. She has served the town with distinction and

dedication. Her advice and counsel have been greatly appreciated throughout this past year and we hope that she will continue as a valued resource to our town for years to come.

Kris, who has been our Library Director for twenty years, was recognized by the New Hampshire Library Trustees Association as 2012 New Hampshire Library Director of the Year. January game nights, the

summer forum, and a wide selection of activities for children are just a few of Kris's many innovations. She also oversaw the Library's transition from a tiny one-room building to our present Library, which welcomes all as a true center for the Nelson community.

Gordon designed the library sponsored Nelson town website and has been its Webmaster since its inception in 2008. Anyone who visits Nelson's website will find that it depicts

Nelson's special charm artfully and with humor, while also providing comprehensive information about matters ranging from Select Board minutes to contra dances to school events to a roster of local animals, both domestic and wild. As a result of Gordon's skillful efforts, our website www.townofnelson.com received New Hampshire Magazine's 2012 Editor's Pick Award for Municipal Website.

Nelson, New Hampshire
Welcome to the Center of the Universe

Other Noteworthy People and Projects

A well-deserved thank you goes to the members of our Municipal Records Board: Dave Birchenough, Edie Drinkwater, Susan Hansel, Edith Notman, John Shea and Teri Upton. They have spent innumerable hours cleaning, sorting and organizing a potpourri of forty years of Town records to create a manageable and searchable archive.

We'd like to welcome two new Town employees. Julia Lennon is wearing several hats as our new Clerk for the Planning Board and the Zoning Board of Adjustment, and as our new Deputy Town Clerk/Tax Collector. She's serving the clerical needs of both the Planning Board and the ZBA as well as learning the skills that will enable her to serve as Town Clerk/Tax Collector in the event that she is elected to that position. Wayne Fulton is our new Town Sexton and has been doing a great job keeping our grounds maintained and our buildings shipshape.

Also, we'd like to welcome our new volunteers to Town service, as well as thank two long-timers. The new faces: Dennis Dellagrecia, Current Use Taxation Analyst; Barry and Karen Tolman, Traffic Study Coordinators; and Donna Kidd, Town Office Assistant. The familiar faces: Dave Birchenough and Rick Church, Nelson Road Historians.

Dennis is reviewing and updating all our Current Use tax exemption documentation. This work includes reviewing all Current Use documentation, both maps and categories of use, to make sure that they are accurate and consistent with DRA (Department of Revenue Administration) requirements.

Barry and Karen are assisting Chief Pratt with a study of traffic volume and speed on Nelson roads. We will use the data gathered during this work to determine if we need to establish slower speed limits and enforce our speed limits more strictly.

Donna is helping Edie with the work of the Town Office. The workload here consistently exceeds forty hours per week and thanks to Donna we are hoping to reduce some of the need for Edie to work overtime.

Dave and Rick have been studying the history of Nelson roads for many years. Now that our tax mapping company, Cartographics Associates, has asked us to produce an official Town Road Map, Dave and Rick will be instrumental in helping us satisfy that request.

We'd like to offer our special thanks to Edie Drinkwater, our Town Administrative Assistant, whose title in no way accurately reflects the scope of her work for the Town and the Select Board. Edie has managed our Town Office with grace, skill, energy and compassion. She serves as our Chief Operating Officer, our Chief Financial Officer, our Legal Adviser, our Human Resources Adviser, our Records and Research Manager, our Customer Service Manager, our Welfare Office Manager, our Corresponding Secretary, and our Recording Secretary. A few of Edie's many accomplishments, achieved in addition to performing her regular duties of managing the work of the Town Office, are listed below.

With the assistance of our accountant, Anita Treloar, Edie has organized our Town Budget, and tracked and reported expenditures from it, in ways consistent with the needs of our department heads, the Select Board and the DRA. All submissions of the financial data needed by the DRA to establish our property tax rate were completed and filed before September 1st this year. As a result, we did not need to borrow money in anticipation of tax receipts during the last few months of 2012.

Edie, Teri, and Edith helped develop the design for our remodeling project for our Town Offices. Edie served as our Clerk of the Works during the construction, making sure that all work was done perfectly. With the exception of only one week in August, our office staff kept the Town Offices open for business during the completion of the project. John DeGangi, our Safety Inspector from the NH Department of Labor, was delighted with the outcome of our work.

Edie has expertly sorted through a multitude of property tax questions and abatement requests. She has skillfully coordinated the efforts of the DRA, Town Counsel and our assessors to resolve issues.

Edie conducted the research and organized the documents needed to account for the moneys expended five years ago from a grant to the Town for the benefit of the Apple Hill organization. She made sure that the audit trail was complete and acceptable to the federal government and the Southwest Regional Planning Commission.

Edie edited and published our Nelson Employee Safety Manual covering all employees of the Town. She produced an extremely comprehensive manual in time to meet a very demanding deadline. The project was conducted under the auspices of our Joint Loss Management Committee (JLMC) as required by order of the NH Department of Labor.

Even in Nelson, Winter turns to Spring

SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief David Upton, Chair; Maury Collins and Susan Hansel, Nelson Board of Selectmen.

AUDITOR'S CERTIFICATE

2011 Town Auditor's Report

This report is to certify that I have examined the books and records of the Nelson Town Clerk, Tax Collector, Selectmen, Treasurer, Library Trustees, and Trustees of Trust Funds for the fiscal year ending December 31, 2011. I find that these books and records reflect a fairly accurate accounting of the Town's financial condition.

To be clear though, a number of the financial reports printed in the 2010 and 2011 Town Reports had significant errors. The financial reports handed out at those town meetings were far closer to the actual numbers.

This report is in accordance with RSA 21-J:19 which says in part,

!.. A written or printed report of every completed audit shall be made to the proper local officials including a summary of the findings and recommendations of the auditors and a copy of such summary shall be published in the next annual report following the fiscal year in which the audit was completed

TOWN WARRANT

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs: YOU ARE HEREBY NOTIFIED to meet in the Town Hall in said Nelson on Tuesday, the 12th day of March, 2013, at 11:00 am to act upon the following articles:

Polls will open at 11:00 am and close at 7:00 pm.

Business Meeting will start at 7:00 pm.

ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of \$314,231.00 to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen recommend this appropriation 3 – 0.
3. To see if the Town will vote to raise and appropriate the sum of \$33,149 for support of the Town library, \$21,900 to be raised by taxes and \$11,249 to come from Library Memorial Funds, gifts, grants and other sources. (In 2012, the appropriation was \$31,995, \$20,600 from taxes and \$11,395 from other sources.)
The Selectmen recommend this appropriation 3 – 0.
4. To see if the Town will vote to raise and appropriate the sum of \$2,459 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care Services (\$550) and Meals on Wheels (\$397), Monadnock Family Services (\$912), and Southwestern Community Services (\$600). The (In 2012, \$3481 was paid in support of social service agencies.) Selectmen recommend these appropriations 3 – 0.
5. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund. The Conservation Commission approves this article. The fund balance as of 12/31/2012 was approximately \$20,391. The Selectmen recommend this appropriation 3 – 0.
6. To see if the Town will vote to modify the elderly exemptions from property tax, by a reduction in the assessed value, for qualified tax payers, to be as follows: for a person 65 years of age to 75 years of age, \$60,000, for a person 75 years of age to 80 years of age, \$90,000, and for a person 80 years or older, \$110,000. To qualify, the person must meet all the following criteria:
 - (a) Have been a New Hampshire resident for at least 3 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 consecutive years.
 - (b) Have a net income, as per RSA 72:39-a, of not more than \$30,000 if single or, a combined net income of not more than \$50,000 if married.
 - (c) Have net assets, per RSA 72:39-a and RSA 72:39-b, of not more than \$60,000 if single or combined net assets of not more than \$75,000 if married. The Selectmen recommend this article 3 – 0.

7. To see if the Town will vote to appropriate \$190,171 to be placed in the Town Buildings Capital Reserve Fund with said funds to come from fund balance (these funds represent the monies in the "Silver Lake Fund" as of 12/31/2012). The Selectmen recommend this appropriation. 3 – 0.

8. To see if the Town will vote to discontinue the Dump Capital Reserve Fund. Said fund having been established in 1972 for the ultimate replacement of the Town's dump arrangements at that time. All funds to be deposited into the general fund. The purpose in closing this Capital Reserve account would be to make the funds available for other Town projects. The Dump Capital Reserve Fund balance as of 12/31/2012 was approximately \$22,370. The Selectmen recommend this article 3 – 0.

9. To see if the Town will vote to appropriate \$22,370 to be placed in the Town Buildings Capital Reserve Fund with said funds to come from the fund balance (These funds represent the monies from the Dump Capital Reserve Fund.) This article is contingent on the passage of warrant article # 8. The Selectmen recommend this appropriation 3 – 0.

10. To see if the Town will vote to appropriate \$1567 to be placed in the Town Buildings Capital Reserve Fund with said funds to come from the fund balance (These funds represent the monies from the closed Salt Barn Capital Reserve Fund which were deposited to the fund balance.) In 2010 the Town passed by voice vote article #20, which read as follows: To see if the Town will vote to discontinue the Salt Barn Capital Reserve Fund and any money left will go to the General Fund.

The Selectmen recommend this appropriation 3 – 0.

11. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the town. (The 2012 appropriation was \$25,000). The fund balance on 12/31/2012 was approximately \$36,625.

The Selectmen recommend this appropriation 3 – 0.

12. To see if the Town will vote to raise and appropriate the sum of \$50,000 to be used to purchase, by contract, detailed architectural plans for the proposed Town Hall preservation and renovation. Said plans to include complete contractor's detail, with which, the Town will seek bids for the project. Further that the funds be withdrawn from the Buildings Capital Reserve Fund. This method of funding is contingent on passage of any combination of articles #7, #9, #10, #11 which would generate a sufficient balance to make this possible. The balance as of 12/31/2012 was approximately \$36,625 The Selectmen recommend this appropriation 3 – 0.

13. To see if the Town will vote to raise and appropriate the sum of \$18,000 to be used to purchase, by contract, detailed architectural plans for the proposed Library Basement project which will include a space for the Town Archives, Municipal Records, and meeting area. Said plans to include complete contractor's detail, with which, the Town will seek bids for the project. Further that the funds be withdrawn from the Buildings Capital Reserve Fund. This method of funding is contingent on passage of any combination of articles #7, #9, #10, #11 which would generate a sufficient balance to make this possible. The Selectmen recommend this appropriation 3 – 0.

14. To see if the Town will vote to remove the Selectmen as agents on the Town Buildings Capital Reserve Fund. The Selectmen recommend this article 3 – 0.

15. To see if the Town will vote to create an Expendable Trust Fund under the provisions of RSA 31:19-a, to be known as the Agricultural Fund for the purpose of furthering the work of the Agricultural Commission, and to raise and appropriate \$500 to be placed in said fund, and furthermore to name the Selectmen and Agricultural Commission as agents to expend. The Selectmen recommend this appropriation 3 – 0.

16. To see if the Town will vote to raise and appropriate the sum of \$13,000 for the continuing cyclical revaluation of Town property for fiscal year 2013. It being understood that the contracted total expenditure for the complete 4 year revaluation cycle, 2013 through 2016, will not exceed \$62,000. The Selectmen recommend this appropriation 3 – 0.

17. To see if the Town will vote to hire an independent accounting firm for fiscal year 2014 and continuing on rather than having a locally elected auditor. The Selectmen recommend this article 3 - 0.

18. To see if the Town will vote to raise and appropriate the sum of \$10,000 to conduct a professional audit of Town financial records for fiscal year 2012. The Selectmen recommend this appropriation 3 - 0.

ARTICLES DEALING WITH SERVICE AND PROTECTION

19. To see if the Town will vote to raise and appropriate the sum of \$69,030 for the proper expenses of the Fire Department and Rescue Squad. (The 2012 appropriation was \$44,838). Selectmen recommend this appropriation 3 – 0.

20. To see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of fighting forest fires. This sum to come from reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this appropriation 3 - 0.

21. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Fire Equipment Capital Reserve Fund, for the purpose of Fire Apparatus for the fire department. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The fund balance as of 12/31/2012 was approximately \$206,687 The Selectmen recommend this appropriation. 3 – 0.

22. To see if the Town will vote to raise and appropriate the sum of \$500 for the proper expenses of Emergency Management. This article is recommended by the Nelson Emergency Management Director and by the Board of Selectmen. 3 – 0.

23. To see if the Town will vote to raise and appropriate the sum of \$75,000 for the purchase and outfitting of a used fire truck and authorize the Selectmen to withdraw these funds from the Fire Equipment Capital Reserve Fund for this purpose. \$50,000 would be used for the truck purchase and \$25,000 would be used for the appropriate equipment to place the truck in service (radio, hose, nozzles, hand tools, etc.). The Fire Chief and The Selectmen recommend this appropriation 3 - 0.

24. To see if the Town will vote to raise and appropriate the sum of \$5,100 for the purchase of three Automatic Emergency Defibrillators (AED's) to replace the remaining current units that are at "end of life" having been in service for over 8 years. The Selectmen recommend this appropriation 3 - 0.

25. To see if the Town will vote to raise and appropriate the sum of \$57,611 for the proper expenses of the Police Department. (The appropriation for 2012 was \$41,400). The Selectmen recommend this appropriation. 3 – 0.

26. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Police Equipment Capital Reserve Fund. No withdrawals may be made from this fund except by vote of the Town and with the recommendation of the Police Chief. The fund balance as of 12/31/12 was approximately \$20,567. The Selectmen recommend this appropriation 3 – 0.

ARTICLES DEALING WITH ROADS

27. To see if the Town will vote to raise and appropriate the sum of \$260,554 for the purpose of maintenance of highways and bridges for ensuing year's budget with \$21,701 anticipated coming during 2013 from Highway Block Grant Aid. The rest (\$231,172) to be raised by taxes. In 2012 the sum of (\$205,759.33) was raised by taxes. The Selectmen Recommend this appropriation 3 - 0.

28. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town upon recommendation of the Road Equipment Committee. The fund balance on 12/31/12 was approximately \$31,727. The Road Equipment Committee recommends this appropriation. The Selectmen recommend this appropriation 3 – 0.

29. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be used for repaving a section of Old Route 9 from the Nelson Road running approximately one quarter mile toward Sullivan. The Selectmen recommend this appropriation 3 – 0.

ARTICLES DEALING WITH PLANNING & ZONING

None Submitted for 2013

OTHER ARTICLES

WARRANT ARTICLES BY PETITION

30. To see if the Town will vote to raise and appropriate up to the sum of \$1500 to support the expenses of Nelson resident school students at \$500 each from grades five, six or seven to attend Summer Village 2013 (in Nelson Village). This money would only be spent for children who actually apply to and attend the program. All children who live in Nelson and who are entering 5th, 6th, or 7th grade may attend. The Selectmen recommend this appropriation 2 – 1.

31. To see if the Town will vote to direct the Board of Selectmen to oversee and work with the Old Home Day Committee to set and adopt policies and procedures, and to appoint membership for the Old Home Day Committee. This is pursuant to how the Selectmen oversee other Nelson Non-RSA required committees and commissions. The Selectmen recommend this article 3 – 0.

32. To see if the Town will vote to instruct the Selectmen through the Police Department to enforce RSA 265:63 on any citizens to follow the law and to personally pay for the required engineering or traffic investigation (safety studies) in order to legally justify the need to alter any speed limit, signs regarding safety, stop signs, and anything additional along said roadways and pedestrian walkways on Nelson Class V Town Roads or better.

The Town of Nelson will not be responsible for the costs of such legally required studies for the benefit or private individuals and their concerns, real or unreal, or any costs unless it is proven to be a public traffic and safety issue by the legally required "engineering" test results.

Alterations and additions of sign posting on Class V or better shall adhere legally to RSA 265:63.

Any signs installed with or without respect to the required authority of RSA 265:63 must be removed and the Town of Nelson reimbursed for the installation and removal costs. Any signs installed and their engineering costs that prove to be safety issues acknowledged by the said professional shall be paid for by the Town of Nelson in the future and retroactively if the law was ignored. All road sight generally as well must be legally enforced and Nelson Town Ordinances will be legally enforced. Petitioner requests a written ballot vote.

The Selectmen do not recommend this article 3 – 0.

33. To see if the Town will vote to adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Town of Nelson on the Second Tuesday 3/5ths majority vote required by written ballot vote. The Selectmen do not recommend this article 3 – 0.

34. To see if the Town will vote to accept from the New Hampshire Department of Transportation (NHDOT) the remaining "C" section of Class II Highway from the Stoddard Town Line westerly to the intersection of NH Route 9 called Granite Lake Road (past Franklin Pierce Highway/Keene to Concord Highway) as a Class V Town Road. The length of highway is 1.86 miles and this would entitle the Town of Nelson to extra funds from the "Highway Block Grant Aid". Said acceptance to be contingent upon NHDOT completing all upgrade and repair work to the road, including what is necessary in replacing guardrails and installing necessary drainage systems in agreement with the Selectmen. Petitioner requests a written ballot vote. The Selectmen do not recommend this article 3 – 0.

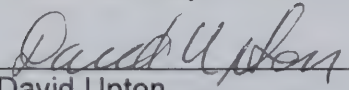

35. To see if the Town will vote to increase the Veterans' Tax Credit from the present amount of \$300.00 to \$500.00. This amount is approved under RSA 72:28
The Selectmen recommend this article 3-0.

To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

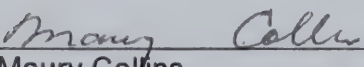

Given under our hands and seals this 20th day of February in the year of Our Lord, two thousand and Thirteen

A true copy of the warrant, Attest: The Nelson Board of Selectmen

Date: February 20, 2013

David Upton

Maury Collins

Susan Hansel

BUDGET OF THE TOWN

OF: Nelson

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2013 to December 31, 2013

or Fiscal Year From January 1, 2013 to December 31, 2013

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): February 20, 2013

GOVERNING BODY (SELECTMEN)

Please sign in ink.

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete

David Under

Mary Collier Selectman

Susan Hansel

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

Residents who have a birth, marriage, or death in their family, must make sure that NELSON is listed as their town of legal residence (do not use your mailing address). This is necessary to assure accurate recording of Nelson's Vital Statistics on the state and local levels. Thank you.

Theresa M. Upton, Town Clerk/Tax Collector

TOWN MEETING MINUTES – MARCH 13, 2012

For many of us, Town Meeting Day is the herald of Spring. This year more than many, the weather was wonderful - clear and dry. However, our very mild winter and the early warm air have resulted in a particularly rugged mud season. The polls opened just after 11:00 a.m. and in spite of the muddy driving conditions the turnout was brisk from the beginning. A record number of 280 voters cast ballots, including a dozen new voters. It was heartening to see the enthusiasm engendered by the contested offices on the ballot. The election results are as follows:

Selectman, 3 Years:	David Upton 176
	Margaret Schillemat 102
Selectman, 2 Years:	Duane Schillemat 53
	Maury Collins 183
	John Cucchi 36
Moderator, 2 Years	Winston O. French 92
	Richard P. Church 185
Trustee of the Library, 3 Years	Thomas Tolman 250
Trustee of the Library, 1 Year	Linda Cates 246
Emergency Mgt Officer, 1 Year	Richard Lothrop 262
Treasurer, 1 Year	John Shea 230
Planning Board, 3 Years	Eric C. Sandberg 218
Planning Board, Write-In, 3 Years	Michael leDoux 46
Trustee of Trust Funds, 3 Years	Thomas B. Newcombe 240
Cemetery Board, 3 Years	Winston (Marty) French 242
Road Equipment Committee, Write-In	John Bunce 67
Zoning Board, Write-In, 3 Years	Michelle Lange 87
Zoning Board, Write-In, 3Years	John Cucchi 12
Supervisor of Checklist, 6 Years	Hope Lothrop 245
Auditor, 1 Year	Terry Mednick 139
Auditor, Write-In	Joy Birdsey-Smith 102

The polls were closed shortly after 7p.m. The pledge of allegiance was ably led by the scouts and the business portion of the meeting began. Once Richard Church, moderator, had set down the rules of conduct for the meeting and discussed a few housekeeping items, Margaret Schillemat, selectman, requested that the acknowledgements that usually take place at the end of the meeting be handled at this time. She then thanked Michael Blandschun for his time as selectman, and Bud French for his time filling out Mike's term until March.

Just as Mr. Church began moving to Article #2, Ethan Tolman asked to be recognized and offered a motion to move directly to "Other Articles, Warrant Articles by Petition." His motion was seconded, and Mr. Tolman explained that he felt that the importance of these articles warranted their discussion at the beginning of the meeting while most townspeople were present to hear and to vote. The motion was approved by voice vote, and the moderator began the meeting with Article 22.

Article #22: To see if the Town will vote to raise and appropriate up to \$1500 to support the expense of three Nelson School students @ \$500 each from grades five or six to attend Summer Village 2012 (In Nelson Village). This money would only be spent for children who actually apply to and attend the program. The Selectmen do not recommend this article, 3-0.

The article was moved and seconded as read and discussion began. Sandi Mackenzie explained the Summer Village program and the discussion moved on to which children would qualify for this scholarship based on the wording of the article. Concern was expressed about the limitation implied by the wording "Nelson School students" and its seeming exclusion of Nelson students who are not enrolled in the Nelson School. Mr. Church suggested using the "friendly amendment" tool to change the capital "S" to a small "s" to resolve the concern. With the permission of those present, this amendment was accepted, and the amended article was passed by voice vote.

Article #23: To see if the Town will vote to require the Selectmen, and all Town Officers and Employees to provide to the Auditor, for the purpose of examination and audit required by law, all town financial records (including digital data in that format) as requested by the Auditor. If direct access to original documents is required by the Auditor, an appointed time will be scheduled for that access. No original documents shall be required to leave the town offices. Copies of the documents requested by the auditor may be provided instead of original documents, provided the auditor agrees. Privacy and confidentiality laws (RSA 91-A: 5) will be adhered to by the Auditor.

The article was moved and seconded as read. Terry Mednick, auditor explained why he petitioned this article, stating that he felt he has been thwarted by the Selectmen in his pursuit of information to perform his work. He urged cooperation, not fighting to accomplish what needs to be done. Margaret Schillemat, selectman, responded that Mr. Mednick has not been denied anything he has requested, but that based on statements made by Mr. Mednick the Selectmen were concerned that if allowed access to town computers, the auditor could take confidential information not needed for an audit. The discussion continued with several residents expressing trust in Mr. Mednick and urging that as a town officer he be given the information he needs electronically. The article was passed by voice vote.

Article #24: To see if the Town will vote to authorize the Selectmen to permit Town Residents to use the Common Room in the Safety Building for meetings and small gatherings. It being understood that should an emergency arise such that the room is required, Residents scheduled to use the room would be contacted by the person designated by that group to cancel their meeting or event as would be necessary. Permission to use the space would use the same policies that are currently in place for other Town spaces.

The article was moved and seconded as read. This issue has been brought before the town in previous years, and the same privacy and safety issues surrounding the building's use and the fact that the police station is located in the building were reiterated. Discussion moved to the wording and the workability of the article itself. Edith Notman made a motion to delete the wording "and small gatherings" and "or event" from the article to allow a more limited use of the space. The amendment was seconded. Mr. Blaudschun said that a petitioned article cannot be amended, but Mr. Church, moderator, made the decision to allow the amendment. However, after continued discussion, Ms. Notman withdrew her amendment, and the meeting went on to defeat the article as presented by voice vote.

At this time Moderator Church stepped down and Lisa Sieverts stepped in as Moderator Pro Tem. Mr. Church stated that this is only the second time in his years as moderator that he has taken this action, but that he had been deeply involved in the construction of this article and wished to speak to the issue

Article #25: To see if the Town will vote to require the selectmen to deposit the official records of the town, not immediately needed in the course of their duties, with the town clerk as required under RSA 41:58 by April 1, 2012. The town clerk shall have access to the records independently of any other persons or governing body. Further that the town clerk shall establish procedures that allow reasonable access for the public at least during the hours the clerk is ordinarily available to the public in the town office.

The article was moved and seconded as read. Mr. Church read a prepared statement indicating that putting a padlock and denying the clerk and others access to records is contrary to law, and the selectmen have no right to take this action. Warren Hammack, selectman, stood and stated that files with graphic information were removed from the records area and the selectmen want to ensure that this does not happen in the future. Margaret Schillemat, selectman, added that their responsibility over confidential files gives the selectmen authority over the clerk, and she cited several RSAs (41:9, 41:11, 41:11A, 91:A5) in support of her position. Edith Notman stood and read excerpts from a rebuttal to the selectmen's report found in the March 2012 issue of the Grapevine. Ms. Notman stated that there was only one file taken, the person who took the file immediately recognized the error in judgment and promptly returned the file to the office. There was no malicious intent, and the matter should have been discussed with the

clerk and a resolution found by working things out together. Instead, the town's attorney and the NH Attorney General became involved, a padlock was installed, and the issue languished for weeks on end. Several residents spoke with concern about the lack of cooperation and the high-handed treatment of the clerk as a Town official, the archivist and other volunteers who contribute innumerable volunteer hours researching and restoring our records. After considerable discussion, Owen Iselin called for the vote, and Edith Notman requested a written ballot. The vote is as follows:

YES: 64 NO: 50

With Article #25 acted upon, Mr. Church resumed as Moderator, and Lisa Sieverts stepped down.

Article #26: To see if the Town will vote to authorize the Moderator to appoint a Study Committee of not more than 4 Nelson residents to do the following:

- Attend all meetings of the board of selectmen.
- Record the proceedings of those meetings for the purpose of understanding the activities and associated time requirements of the office.
- Recommend efficiencies to the board of selectmen as they may come to the attention of the committee.
- Report to the Town of Nelson, at the March 2013 Town Meeting, making recommendations for any changes in administrative staffing or in the number of members of the board of selectmen, that it believes to be in the best interests of the Town. The term of the Study Committee will end at the adjournment of the 2013 Nelson Town Meeting.

The article was moved and seconded as read. A few people spoke indicating that they did not see the value of this article, and that the selectmen themselves should determine what they need to do their jobs. With little discussion the article was defeated by voice vote.

A motion was made and seconded and passed to take action on Article #21 while most residents were still present. Ann Bunce suggested lightly that perhaps we should just handle the whole warrant in reverse order.

Article #21: To see if the Town will vote to raise and appropriate the sum of \$7,000 to be used to fund a Condition Assessment with Preservation Guidelines for the Nelson Town Hall and Old School House. The total cost of this project not to exceed \$7,000 with \$3,500 being raised by taxes and \$3,500 coming in the form of a matching grant from the New Hampshire Preservation Alliance. Nelson has been approved for the

grant but the money will not be awarded without matching funds from the town. The Selectmen recommend this article, 3-0.

The article was moved and seconded as read. Lisa Sieverts, chair of the building committee, spoke to the article, stating that this will be a continuation of the work which began in 2010, and will involve doing a space and needs assessment. 2010 was a planning year, and now we will continue to the drawing stage, and develop a budget to vote on at the 2013 town meeting. Architect Rick Monahan introduced himself and had high praise for the committee and the work they have done. David Voymas stood and affirmed that praise. There was little discussion and the article passed unanimously by voice vote.

From this point, the articles were dealt with in order as they appear on the warrant.

Article #2: To see if the Town will vote to raise and appropriate the sum of \$301,876 to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen recommend this appropriation 3-0.

The article was moved and seconded as read. Dave Birchenough proposed to add the following amendment to the article: "The amount to fund this Town Charges article #2 shall first come from expending the entire balance of the money received from the Geddes tax receipts and associated fees, shown on the 2011 Treasurer's Report on page 16 of this December, 2011 Town Report as the 'Silver Lake' account, in the approximate amount of \$189,980 and the balance to be raised by taxes." The motion was seconded and the Geddes money was discussed. Several residents felt this money should be used for a more specific purpose, such as town building restoration and preservation, a purpose that would be remembered for many years, rather than expended for operational costs for one year and forgotten. The amendment lost by voice vote and the article as originally presented was passed by voice vote.

Article #3: To see if the Town will vote to raise and appropriate the sum of \$20,600 for support of the town library with all expenses above that amount to be paid directly by income from the Library Memorial Fund or other sources. (In 2011 the total amount raised by taxes was \$20,600). The Selectmen recommend this appropriation 3-0.

The article was moved and seconded. There was no discussion and the article passed by unanimous voice vote.

Article #4: To see if the Town will vote to raise and appropriate the sum of \$3,481 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family

Services (\$831), The Keene Community Kitchen, Inc. (\$1,500) and Southwestern Community Services (\$600). The Selectmen recommend these appropriations, 3-0. (In 2011, these same agencies received contributions from the town in the amount of \$3478).

The article was moved and seconded as read, and with no discussion passed unanimously by voice vote.

Article #5: To see if the Town will vote to appropriate the sum of \$25,000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the town. The selectmen recommend this appropriation, 3-0. (The 2011 appropriation was \$10,000.) The fund balance on 12/31/2011 was \$73,117.

The article was moved and seconded as read and with little discussion was passed by voice vote.

Article #6: To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund. The Conservation Commission approves this article. The Selectmen recommend this appropriation, 3-0. The Fund balance as of 12/31/2011 was \$17,372.

The article was moved and seconded as read. After a brief discussion of this issue in general the article passed by voice vote.

Article #7: To see if the Town will vote to raise and appropriate the sum of \$823 used for hazardous waste collections for 2012 and 2013 consisting of 24 collection dates. The Selectmen recommend this article, 3-0.

The article was moved and seconded as read. With no discussion the article passed by voice vote.

Article #8 To see if the Town will vote to raise and appropriate the sum of \$14,500 as subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2011 was \$10,428.29) Selectmen recommend this article, 3-0.

The article was moved and seconded as read. Rick Lothrop, Emergency Management Officer explained the increase in cost and the article was passed unanimously by voice vote.

Article #9: To see if the Town will vote to raise and appropriate the sum of \$30,338 for the proper expenses of the Fire Department and Rescue Squad. (The 2011 appropriation was \$15,000). Selectmen recommend this article, 3-0.

The article was moved and seconded as read. Rick Lothrop, Fire Chief, explained that under the town's new accounting system gasoline and diesel costs are being allocated to each department. In addition the Mutual Aid costs, which were formerly part of our county tax rate, are now being billed directly to the town. This is reflected in the large budget increase from the previous year. With little discussion the article passed unanimously by voice vote.

Article #10: To see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of fighting forest fires. This sum to come from reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this article, 3-0.

The article was moved and seconded as read and with no discussion was passed unanimously by voice vote.

Article #11: To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital Reserve Fund, for the purpose of Fire Apparatus for the fire department. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The Selectmen recommend this article, 3-0. The fund balance as of 12/31/2011 was Approximately \$181,490.

The article was moved and seconded as read, and with little discussion passed unanimously by voice vote.

Article #12: To see if the Town will vote to raise and appropriate the sum of \$500 for the proper expenses for Emergency Management. This article is recommended by the Nelson Emergency Management Director and by the Board of Selectmen, 3-0.

The article was moved and seconded as read and with no discussion was passed by unanimous voice vote.

Article #13: To see if the Town will vote to raise and appropriate the sum of \$41,400 for the proper expenses of the Police Department. (The appropriation for 2011 was \$37,000). The Selectmen recommend this article, 3-0.

The article was moved and seconded as read, and with little discussion was passed by unanimous voice vote.

Article #14: To see if the Town will vote to raise and appropriate the sum of \$4,000 for the purpose of patrols performed by the Nelson Police Department for the State of NH, Cheshire County, Sheriff's Office and other authorized municipal entities. This sum to come from offsetting grants and no amount will be raised through taxation. The Selectmen recommend this article 3-0.

The article was moved and seconded as read, and with no discussion passed by unanimous voice vote.

Article #15: To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Police Equipment Reserve Fund. No withdrawals may be made from this fund except by vote of the Town and with the recommendation of the Police Chief. The selectmen recommend this article, 3-0. The fund balance as of 12/31/2011 was Approximately \$10,552.

The article was moved and seconded as read. With little discussion the article was approved unanimously by voice vote.

Article #16: To see if the town will vote to raise and appropriate the sum of \$500.00 for the proper expenses of the Agricultural Commission. The Selectmen recommend this article 3-0.

The article was moved and seconded as read. With no discussion the article was passed by unanimous voice vote.

Article #17: To see if the Town will vote to raise and appropriate the sum of \$1200 for maintenance of Head Stones in the Town's Cemeteries. The total sum to be raised by taxes. The Selectmen recommend this article 3-0.

The article was moved and seconded as read. Bob Jones explained how many stones in each cemetery are in need of repair, and the article was passed unanimously by voice vote.

Article #18: To see if the Town will vote to raise and appropriate the sum of \$243,150 for the purpose of maintenance of highways and bridges for ensuing year's budget with \$37,390.67 anticipated coming from Highway Block Grant Aid. The rest (\$205,759.33) to be raised by taxes. In 2011 the sum of (\$175,816.98) was raised by taxes. The Selectmen Recommend this appropriation 3-0.

The article was moved and seconded as read. With little discussion the article was unanimously passed by voice vote.

Article #19: To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road Equipment Committee (which includes the Selectmen) recommends this appropriation.

The article was moved and seconded as read. With some discussion about the present state of equipment the article was unanimously passed by voice vote.

Article #20: To see if the Town will vote to raise and appropriate the sum of \$802 for dues to belong to the Southwest Region Planning Commission (\$731 in 2011) The Selectmen recommend this article 3-0.

The article was moved and seconded as read. With no discussion the article was passed unanimously by voice vote.

To transact any other business or discuss other warrant proposals as may legally be brought before the meeting. The article was moved and seconded as read. At this time the selectmen acknowledged and applauded Edie Drinkwater, the new Administrative Assistant, for her capabilities and diligence in general and for producing this year's town report. Trisha Jones thanked Teri Upton who is stepping down from the Cemetery Board for her many years of service.

The call for adjournment was applauded and the meeting ended at 10:40PM.

Respectfully submitted,

Theresa M. Upton
Town Clerk/Tax Collector

SPECIAL TOWN MEETING

JUNE 2, 2012

Moderator Richard Church called the meeting to order at just 10 a.m. Our meeting began on a lighter note, since Mr. Church recognized that one of our new selectmen, Dave Upton was celebrating his birthday on this date. Everyone joined in a round of singing "Happy Birthday" to Dave before settling down to address the issue at hand.

There were 50 people in attendance to vote on the following article:

ARTICLES OF A GENERAL NATURE

To see if the Town will vote to allow the Board of Selectmen to become agents for the Town Buildings Capital Reserve Fund and as such allow them to make withdrawals from the Fund. It further stipulated that any funds withdrawn by the Selectmen be used only for purposes including renovations, preservation, and repair of the Town's Buildings and for no other purpose. The need for any withdrawal must be posted by the agents prior to their regular meeting of the Select Board and a roll call vote of the majority of the Board will be required to authorize the withdrawal.

The article was moved and seconded as read, and Warren Hammack, Chair of the Board of Selectmen addressed the meeting to explain the reason for this request. He stated that the NH Labor Board has mandated that the town create a safety policy and procedure manual for the use of town buildings, and has mandated that the town offices be brought into compliance with state workplace safety regulations. The manual is being prepared. Our deadline for completing the refurbishment of the town offices has been extended to September 30, 2012, and the work must be completed by this date. There were a few questions about the permanence of this approval if the article is passed, and Mr. Church explained that this approval will stand until another vote is taken at an official town meeting and the approval is rescinded. It was agreed that if this article is approved, a "straw vote" will be taken to indicate to the selectmen whether an article on the March 2013 warrant is recommended by this body to rescind this vote.

The selectmen were asked which of the plans that the architects had drawn up was likely to be chosen by the selectmen. Dave Upton verified with Warren Hammack that both Plan B and Plan C are still under consideration and Dave urged as many people as possible to attend the next selectmen's meeting where the plans will be discussed.

Kelly French called for a written ballot. The results are as follows:

Ballots cast: 48 42 YES 6 NO

Of those present, an overwhelming straw vote indicated the desire for an article to be placed on the March 2013 warrant to rescind the vote taken today. The meeting adjourned at 10:40 a.m.

Respectfully submitted,

Theresa M. Upton, Town Clerk/Tax Collector

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 8th day of March, 2013, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see if the District will vote to raise and appropriate the sum of \$1,887,847 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

ARTICLE 3: To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2013, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 4: To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2013, to the Special Education/Middle and High School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/ and or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2013 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 5: To see if the District will vote to raise and appropriate up to \$22,000 for building safety and security measures and an engineering study to plan for a future boiler replacement and related costs, and further to authorize a withdrawal of up to \$22,000 from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 6: To transact any other business that may legally come before this meeting.

Given under our hands at said Nelson, this 7th day of February, 2013.

NELSON SCHOOL BOARD

NELSON BUDGET DISTRIBUTION BY MAJOR AREAS

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Director of Human Resources, 193 Maple Avenue, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 193 Maple Avenue, Keene, New Hampshire.

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Nelson School District
Nelson, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Nelson School District as of and for the year ended June 30, 2012, which collectively comprise the School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Nelson School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 9 to the financial statements, management has not recorded the long-term costs of retirement health care and obligations for other postemployment benefits in governmental activities. Accounting principles generally accepted in the United States of America require that those costs be recorded, which would increase the liabilities and expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets, and expenses of the governmental activities is not reasonably determinable.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the government-wide financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Nelson School District as of June 30, 2012, or the changes in financial position thereof for the year then ended.

In addition, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Nelson School District as of June 30, 2012, and the respective changes in financial position thereof for the year then ended and the respective budgetary comparison for the general fund and the major grants fund in conformity with accounting principles generally accepted in the United States of America.

The Nelson School District has not presented a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Nelson School District's basic financial statements. The individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the financial statements. They are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Nelson School District Meeting March 9, 2012

Richard P. Church, School District Moderator, called the meeting to order at 7:05 pm. Twenty-two Nelson School children opened the meeting with song and the Pledge of Allegiance. Mr. Church also brought the District's attention to the dedication of the Town Report to Ray Huber, who had passed away in 2011. Mr. Church noted Ray's contributions to the Nelson School over the years and expressed his appreciation to Ray.

Moderator Church also noted the presence of Wayne Woolridge, Co-Superintendent of Supervisory Administrative Union 29, and Tim Ruehr, Business Manager for Towns. He asked those assembled to allow Mr. Woolridge and Mr. Ruehr to speak should the need arise. Approximately 55 Nelson School District voters were in attendance.

Article 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto. The article was moved and seconded and passed by voice vote.

Article 2: To see if the District will vote to raise and appropriate the sum of \$1,716,558 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

The article was moved and seconded. Kelly French, School Board Chairman, explained the budget for the ensuing fiscal year. She also noted that the School Board has been meeting with the Sullivan Options Committee as the town of Sullivan considers withdrawal from the Monadnock Regional School District and paying tuition to send their students to a nearby school.

After some discussion, Article 2 passed by voice vote.

Article 3: To see if the District will vote to raise and appropriate up to \$25,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2012, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

The article was moved and seconded and, after brief discussion, passed by voice vote.

Article 4: To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2012, to the Special Education/ Middle and High School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/and/or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2012 to fund this appropriation and the appropriation

in Article 3(Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article.

The article was moved and seconded and passed by voice vote.

Article 5: To transact any other business that may legally come before this meeting.

Kelly French and Allison Aldrich, School Board members, expressed their appreciation for the work that Michael Cornog, retiring School Board member, has done for the past 3 years. Mike expressed his appreciation for the fine staff, officials and volunteers who support the children of Nelson. Kelly also noted that the two candidates for School Board member were in attendance at the District Meeting. Voters were reminded to vote at the Town Meeting on March 13, 2012, for school district officials.

It was moved and seconded that the meeting be adjourned. The meeting was adjourned at 7:46 pm.

Respectfully Submitted,

Katharine M. Schillemat
School District Clerk

Results of Election for School District Officers held on March 13, 2012

School Board Member for three year term: Jessica Walker

Respectfully Submitted,

Katharine M. Schillemat
School District Clerk

ADMINISTRATIVE REPORT

To quote Bob Dylan... "Times They Are a-Changing". Dylan made this line famous in the 1960's and it rings true, in education perhaps more than ever, today. Budgets are tight, federal and state funding is being dramatically reduced, healthcare and retirement costs are rising, the one thing that has not decreased is the desire to provide the very best education for all students. The challenge is to provide optimal education for all students in the face of serious fiscal realities. The Nelson School District has been fortunate to have engaged citizens who value the importance of a quality education and who, in the toughest of times, have come out strongly in support of school district budgets.

Nelson is fortunate to attract top quality candidates to serve as school board members. I have had the honor of working with three such dedicated individuals (and the ones who filled their seats before them) as we work through the challenges of presenting a fiscally responsible budget to the taxpayers of Nelson. The discussions have always been thoughtful, often difficult, but always with the best interest of our students in mind.

This year, we have been presented with many challenges. As we look ahead to the 2013-2014 budget we need to address the needs of our new students from Sullivan. Brining Sullivan students into Nelson School increases efficiency and should enrich the environment of our students from Nelson.

Over the past six years, the state legislature has defined its constitutional obligation to fund and create an accountability system for the delivery of an adequate education. To fully fund this adequacy aid and to fund current educational aid programs for next year, the state legislature and governor will face the need:

1. To raise an additional \$578,236,605 to fund adequacy for next year. To fund the amount the Legislature will need to keep the "Hold Harmless provision" amounting to \$138,786,000. The last Legislature reduced aid through changes in calculated values by about 140 million dollars.
2. To lift the cap on the 38 districts that are currently capped at no more than a 5% increase would require an additional \$20,135,515 million dollars.
3. To fully fund the special education catastrophic aid program would require about \$12 million new dollars in appropriation above the current \$21 million.
4. To fully fund vocational tuition and transportation aid would require an additional \$5-6 million dollars above the current \$6 million.

5. To fund building aid at the low rate called for in the new law, will require about \$50 million dollars. This amount would first pay down the \$45 million already owed to taxpayers and only leave about \$5 million to fund all those projects waiting for assistance after the current 4-year moratorium.

Sadly, something else that has been changing in schools in recent years is concern over school safety. We all remember too well Columbine, Virginia Tech, and our hearts are still aching for the families and community of Newtown, Connecticut. While there was precious little I could do to ease the burden on the families in Connecticut in the throes of such despicable evil, I tried to do what I could to allay concerns of the families and staff of SAU 29 schools. We responded immediately in the wake of the tragedy in Connecticut by sending out via *Blackboard Connect* a message to all families alerting them to the situation in Connecticut. The day after the events unfolded we gathered school counselors and administrators to offer support to parents, students, and staff. The following Monday, our schools resumed a normal routine with counselors on hand to lend further support to our school community. The SAU 29 Safety Committee met to review all safety procedures in our schools. A safety assessment will be conducted at the Nelson School to ensure that our school is a safe haven. On December 20 I met with a representative from Senator Kelly Ayotte's office to request federal funding for school additional safety measures. It is my hope that Congress will appropriate funds as part of a "safe schools" initiative in the next few months.

Times are also changing in positive ways. We are well on our way to a move to the Common Core Standards. The standards define the knowledge and skills students should have within their K-12 education careers so that they will graduate high school fully prepared for college and careers. Forty-five states have adopted the Common Core Standards. This means that our students will be held to a national standard, that the opportunities for our students to align their education with their peers across the nation will result in a better prepared nation of learners introduced into real-world environments.

Many exciting opportunities are on the horizon, many obstacles still need to be overcome. I am confident that the dedicated professionals and community members who have long-supported the education system in Nelson will continue to do so. Nelson has a supportive community that values education and is on the forefront of initiatives that will produce educated, responsible citizens of the future to make a difference in the world.

Nelson students are doing very well at Keene Middle School and Keene High School. The overall attendance rate at KHS is 94.9%; Nelson's overall attendance rate is 94.13%.

Nelson seniors reported plans to attend post-secondary educational institutions last spring. These schools included: University of Vermont, University of New Hampshire, University of Dallas, Policy Academy and Keene State College.

At least one Nelson student participated in each of the following Keene High School co-curricular activities: A Cappella Choir, Alpine Skiing, Band, Boys Baseball Varsity, Boys Soccer JV, Boys Soccer Varsity, Boys Track, Boys Volleyball JV, Boys Volleyball Varsity, Chinese Club, Dance Team, Drama, Football Frosh, Football Varsity, FFA, Girls Cross Country, Girls Soccer JV, Girls Track, Golf Varsity, Jazz Band, Off the Record, Peer Mediation, Safe School Ambassadors, Spanish Club, Swimming/Diving, Wildlife Conservation Club, Young Monadnock Cares.

We invite you to visit Nelson School, attend a school-related activity, or participate in a school board meeting; we encourage you to attend the Annual District Meeting on Friday, March 8, 2013 at 7:00 p.m. Thank you for your support of Nelson's children and their education.

Nelson School
Principal's Report 2012-2013

The 2012-2013 academic school year began with a total of 26 students in kindergarten through grade six. The school community welcomed a resounding ten new students and nine new families to the Nelson School family. In the kindergarten class we welcomed Logan Lord and her parents Maureen and Brian, Aiden Ioannou and his parents Kim and Kosta, Sydney Shaw and her parents Jamie and Matthew, Juliana O'Mahony and her parents Michelle and Bill, Julianna Fairbanks and her parents Mary and Jason, and Sylvie Hall and her parents Jill and Michael. In the first grade class we welcomed Zephaniah Marean and his parents Sara and Eric as well as Damon Warner and his parents Brandi and Joshua. In the second grade class we welcome Liam O'Mahony who has a sister in kindergarten. And we welcomed Corinne Hautanen and her parents Cherilyn and Scott.

Cindy Benner teaches in the 1/2 classroom, Kristin Roach teaches in the 3/4 classroom, and Emilia Whippie Prior teaches in the 5/6 classroom. Vicki Dowley, our inclusion tutor, supports students in all classrooms under the guidance of Jennifer Kiernan. Due to continued Title I funding, we are fortunate to be able to offer a Title I position. This position is held by Martha Silk, our most seasoned educator, who delivers supplemental services to students in grades K-6 in both reading and math.

Our specialists remain an integral part of Nelson School and bring the arts and wellness alive. This year we welcome Scott Aronowitz to the Nelson School family as our Spanish teacher. Scott was chosen for this position due to his love of the language, his ability to bring the language alive, and his work as a Peace Corp representative in Spanish speaking countries. Rebecca White, our art teacher, continues to creatively and genuinely engage students in the history of art and the techniques of artists before student projects begin which helps ensure students understand and appreciate the art they view and the art they create. Dan Durand, our physical education teacher, enriches the physical education program with rock climbing, snowshoeing, and skating. Our music teacher, Jennifer Hed, continues to bring the spirit and love of music alive in her carefully chosen selection of songs and dance. Becky Kohler, our guidance counselor, continues to work with student groups as well as individuals. Once again she is the facilitator of student lunch groups where student concerns are discussed. This year, Becky is sharing her knowledge with an intern from Keene State College. New to the staff is our nurse, Karen McCarthy who is beyond the moon delighted to be working at Nelson School. Our students continue to enjoy a variety of fresh fruits and vegetables provided to them each afternoon through the federally funded Fresh Fruits and Vegetable program. Kim Keating, Nelson School's secretary is the friendly voice that greets parents, community members, and others when they call Nelson School. Kim is not only the secretary but also the woman who serves lunch and picks up all of the odds and end jobs that make a school function efficiently and effectively. And our school is kept clean by Rachel Lakin, who continues to find creative ways to encourage students and staff members to remember their responsibility in "picking up after themselves".

In late fall, the Department of Education gave its stamp of approval to our Blizzard Bag Initiative. During the summer workshop days, classroom teachers spent time creating four day's worth of lessons that students would be able to complete at home when a snow day is called by SAU 29. We had our first Blizzard Bag day on Wednesday, January 17, 2013. In order for the day to count, student work needed to be returned the next day and 85 percent of the student population had to participate. We had a 100 percent student participation rate and teachers were at home fielding calls or e-mails to assist students throughout the day.

In hopeful anticipation of Sullivan students being part of the Nelson School educational community, an After School Program was created to meet the needs of Nelson School families. Kelly French, Chairman of the Nelson School Board, was the impetus behind the development of this program and Allison Aldrich designed the program in consultation with SAU 29 administration. Autumn Nall manned the program from September to December and Deb Hoskins, a Nelson resident,

took over the leadership of the program in January. The program features four rates: a five day rate, a three day rate, a two day rate, and a drop in rate. Fees are paid monthly in advance.

Our affiliation with the Harris Center is an integral part of our science curriculum. The Harris Center for Conservation Education is dedicated to promoting understanding and respect for our natural environment through education of all ages, direct protection and exemplary stewardship of the region's natural resources and programs that encourage active participation in the great outdoors. This year students in grades K/1/2 studied geology, students in the 3/4 will study bears in the spring, and the students in the 5/6 class turned their attention to classifications and specific kingdoms.

This year REAP funds were used to purchase the Foundations Reading Program used in the 1/2 classroom, the acquisition of non-fiction literature in the 5/6 classroom which supports the new Common Core standards, materials for Blizzard Bags, the IXL math program which allows students to access the site from home to practice routine math skills, an overnight at Camp Takodah for students in the 5/6 classroom to build collaborative skills, and books for our annual Book Pal Project. AREA money was used to hire Carol Tolman, nationally renowned literacy expert to help us interpret data from student assessments and provide appropriate remediation and Foundations training. Last year's purchase of Number Worlds, a complementary program to Every Day Mathematics, has proved to be an extremely worthwhile investment and is used on a regular basis in each classroom.

The annual School Board Retreat was held at Nelson School in mid-December of 2012. Reuben Duncan, Kelly French, Jessica Walker, Kristin Roach, Emilia Whippie, Cindy Benner, and Jennifer Kiernan were in attendance. The retreat began with a review of last year's goals. This was followed by a rich discussion led by Rueben Duncan to craft goals for 2013. After the discussion, the following goal was agreed upon: personalized education through differentiated instruction and individual student goal setting resulting in annual student growth.

Community service work is a fundamental part of the tapestry of Nelson School. It is our goal to generate student involvement locally, regionally, and globally that impacts the lives of people in the world. Locally, students helped sew pillowcases for ConKerr Cancer and these were delivered to the Dartmouth Hitchcock Lebanon. Globally, Nelson School students raised \$218.22 for UNICEF.

Each year the school and community work to create bonds with one another beyond the walls of the school. This year our partnership with Apple Hill continues as we enter into our third year of our Strings Program. This year the first, second, and third year students performed at Apple Hill in December. Sincere thanks to Val Van Meir, Lenny Matczynski, and Sarah Kim for their vision, determination, and willingness to create such an exceptional program for the students of Nelson School. Our holiday sing-a-long continues to grow and 25 members of our community joined us in singing festive, holiday songs. Deepening our ties with the community, 26 Nelson residents volunteered to become book pals to Nelson students. This year's chosen book was Treasure Island. Each adult and child team are reading the same edition of the book and conversing with one another about the book through written correspondence. On February 13th, everyone will gather together and celebrate. Candyce Fulford continues to share her knowledge of technology skills by volunteering her time to update the school's website and move its platform to School Loop. When you have the opportunity, please visit our site at <http://nel-sau29-nh.admin.schoolloop.com> and let us know what you think. In addition to our website, both Gordon Peery and Elizabeth Williams include school news when appropriate on the town website as well as the Grapevine. Our pancake breakfasts, which started out as a simple fundraising activity for each class's sixth grade trip, have become a community event enjoyed and beloved by all who attend.

The PTO continues to play a vital role in the tapestry of Nelson School. Due to their generosity, Monadnock Music's widely acclaimed, innovative outreach program "Lend an Ear" is enjoyed by all Nelson School students. This program enriches the curriculum by exposing students to a variety of musical instruments played by top-level professionals. This year two of the featured instruments were the bassoon and the clarinet. The entire student body traveled to the Colonial Theatre in Keene

to hear and experience music from the Apple Hill String Quartet featuring our very own Sarah Kim. The students in the 5/6 classroom also traveled to the Colonial Theatre for a matinee of The Civil War and the students in K-4 attended a matinee to see The Dinosaur Petting Zoo. In addition to this, the PTO enriched Nelson School students through an author visit. Rebecca and Kevin Kelly, the author and illustrator of Scooped visited with students in the month of October. Our ongoing partnership with Kris Finnegan and the Olivia Rodham Library provides students with an opportunity to develop library skills and work on in depth research project.

A school is only as strong as its community support, staff commitment, and volunteers. A heart-felt "thank you" to Emilia Whippie, Jessica Walker, Kristin Roach, Kim Ioannou, Eric Marean, Anna Philbrick, Candyce Fulford, Joy Birdsey, and Cindy Benner for recognizing the need and importance of a vital parent teacher organization and working collaboratively to brainstorm and organize the Nelson Auction.

Nelson School remains a great place to teach and learn because of the staff, specialists, community members, school board members, parents, administration and support staff from SAU 29, and all others who have helped create this wonderful community of learners. Together we really make a difference for the children of Nelson. Once again, thank you for your support of the 2012-2013 school budget. This year your support provided Nelson School students with a week-long New Hampshire Dance Institute Residency with an all school performance at the new Keene Middle School with dances created around the community book pal book Treasure Island.

If you are not able to visit us at Nelson School, you can learn about us at <http://nel-sau29-nh.admin.schoolloop.com>. We are now also linked with the town website at www.townofnelson.com. We hope you find these sites helpful, informative, and easy to navigate.

Respectfully submitted,

Sheila Vara
Teaching Principal

Selectmen's Report

The theme of our 2012 Town Report is "Recognizing Community Service." We want to acknowledge, and to thank, those who serve our Town as employees, board and committee members, elected officials and volunteers, working together to make Nelson a place in which we all enjoy living. From our award winning school, library, and website to our historic Nelson Village and lovely pastoral countryside, we are blessed to call Nelson our hometown.

Throughout our Town Report, you'll find photos of many folks who have contributed a great deal to our town in 2012, along with accounts of their work this past year and plans for 2013. On the page following the Table of Contents we've attempted to list the names of everyone serving Nelson: employees, elected officials, members of committees and commissions, and volunteers. If we've omitted anyone, it was unintentional, and we hope you'll accept our apologies. Our thanks also go to Edith Notman and Dave Birchenough for their work on photography and production.

Activities 2012

Dave Upton, Susan Hansel, Maury Collins, executive assistant Edie Drinkwater

Your Select Board has been busy during this past year. Many of the projects that we have undertaken relate to the maintenance of the health and safety of our employees and our residents. We have worked closely with our Fire and Rescue, Police and Highway Departments, the NH Department of Labor, the Safety

Department at our Local Government Center, the Southwest Regional Planning Commission, the NH Department of Transportation, NH Fish and Game, PSNH, and the Granite Lake Association on these projects. Many of these are listed below.

1. We completely support and thank Rick Lothrop and all who have given their time and effort to the training and licensing needed to revitalize our Nelson Rescue Department.
2. The security remodeling project for our Town Offices, and the development of an Employee Safety Manual as required by the NH Department of Labor, have both been completed.
3. We have begun studies of traffic speed and volume on Town roads in order to determine if we need more police presence to control the speed of the traffic.
4. We have begun a study of the actions needed in order to improve the safety and usability of the Granite Lake Boat Launch Ramp.
5. With the help of Lisa Murphy at Southwest Regional Planning, our Hazard Mitigation Group has completed a draft of an updated Hazard Mitigation Plan for Nelson.
6. We acquired the Ingalls property for outstanding taxes and, with the help of Chief Pratt and prisoners from our county jail, removed the deteriorated structures and accumulated trash from this woody site adjacent to Otter Brook.
7. With the cooperation of our Highway Department, PSNH, and our property owners, we have developed guidelines and procedures for removing dead, diseased, or structurally weak roadside trees that present a potential for falling into the road or onto the power lines.

8. Our Police Department successfully contracted the painting of the safety lines in the newly repaved section of the State Highway between the Tolman Pond Road and Route 9.
9. Since the State of NH was either unable or unwilling to face its obligations for highway safety, our Police Department took the initiative, and we did it all with private donations. No Town funds were spent on this project. Our sincere thanks to everyone who made the contributions that allowed us to get this important work done.

Under the category of general administration, from issuing building permits to developing Town Budgets, we've learned a great deal about our zoning regulations and the needs of our Town Office, our Fire and Rescue Department, and our Highway and Police Departments. We've closely followed the work of our Town Buildings Committee, and support and thank them for their efforts developing proposals for repairs and renovations to our Town Hall, remodeling the basement of our Library, and the restoration of the Concert Hall on the second floor of the Brick Schoolhouse.

We have employed the services of Alan Treadwell, a computer systems technician, who is skillfully managing all of our needs for information technology. With funding from the Moving In Step organization, we have installed public wireless internet service in our Town Offices. Thanks to Alan's efforts, all of our computer systems and applications are now operating well and undergoing continuing improvement.

We have closely observed the demands placed upon our Town Administrative Assistant. Many of her duties and accomplishments have been described previously in this report. Early in the year, we recognized that her workload consistently exceeded 40 hours per week. As a result we now provide health insurance benefits, per Town policy, not only for our full time Highway Department personnel but also for our Town Administrative Assistant. In addition, we believe that a part time Deputy Administrative Assistant would be a valuable addition to our Town Office staff.

We have attempted to apply our zoning ordinances scrupulously when issuing building permits. We want to thank all applicants for their patience while waiting for us to gather the information that we needed in order to be confident that we were applying the rules fairly and consistently.

With Edie's help we've unraveled tax assessment issues and developed a request for proposals seeking bid quotations from property assessment firms. We have received proposals from six firms. We will be reviewing these and will soon be choosing an assessing firm to work for the Town for the next four years.

Budget and Warrant 2013

Our proposed 2013 budget requests funding comparable to past budgets, with the addition of salary increases that we believe are necessary to move toward our goal of providing equitable and competitive salaries for our employees. The budget also includes funding for the positions of Deputy Administrative Assistant and Current Use Taxation Analyst. We've included a compensation plan for the volunteers on our Fire and Rescue Squads in our Fire Department budget, and have increased the hours in our Police Department budget to provide a greater police presence to control speed on our roads.

Our Warrant for next year includes the standard Articles for the support of Town services. In addition, we will be asking the Town to consider

1. Increasing the asset, income, and tax exemption limits for our Elderly Tax Exemption.
2. Returning control of the Buildings Capital Reserve Fund to the Town.
3. Transferring the Silver Lake Fund to the Buildings Capital Reserve Fund.
4. Approving the recommendations of the Town Buildings Committee for the repair and renovations to our Town Hall and the improvements to make the Library basement both more accessible and more useful.
5. Establishing an Expendable Trust for the benefit of our Agricultural Commission to manage donations intended for the support of agriculture in Nelson.
6. Purchasing a used fire truck for our Fire Department
7. Repaving a section of old Route 9 from the Nelson Road toward the Sullivan Town Line.
8. Replacing the elected position of Town Auditor with that of an appointed professional auditor in 2014.
9. Funding a professional audit of the Town's financial activities for 2012.

Year End 2012

In closing we would like to offer a special thank you to Edie and to Maury on behalf of those in our Town who need financial assistance. We've helped by providing compassion, food and fuel. In addition, Edie organized a private fund, the North Pole Fund, in memory of Bess Bradshaw. The purpose of this fund is to provide holiday gifts for children in Town who might otherwise not experience the joy of the season. Contributions came from many, many people. Our thanks go to them and to Dennis Dellagrecia, Edie and Chief Pratt who delivered the gifts on Sunday, Dec. 23. It would be impossible for us to find a better way to end our year.

And last, but by no means least, we would like to thank you, the residents of our great Town, for giving us the opportunity to serve you during the past year. We take our responsibilities as stewards of your funds and your trust very seriously and will do our very best not to squander either.

Respectfully submitted, Nelson Board of Selectmen

Office Staff Report

Edie Drinkwater

Anita Treloar

2012 was a busy and exciting year for the Nelson Town Office.

The first quarter was filled with the uncertainty brought on by changes in the office staff as well as new Selectmen. But working together, we soon discovered all the strengths within the group and a feeling that any weakness we might find would quickly be strengthened by a united effort to get the job done.

A great deal of work was ahead of us to establish a clearly defined accounting presentation that would be both accurate and easy to understand. We are pleased with the progress but are always seeking to improve by developing new detailed spreadsheets in response to requests for specific information.

A furnace malfunction which caused a carbon blowback in the spring made for unpleasant and unsafe work conditions for a brief time. The insurance company was quick to respond and the adjuster was understanding and agreeable to work with. The office went through a complete cleaning of all surfaces, the heating ducts, and even the very air we were breathing. Many items were replaced by the insurance due to the carbon concentration on working parts and fabric surfaces. Everyone who provided service during this event responded quickly and we experienced little down time.

With summer came the office demolition and renovation to meet the NH Department of Labor Safety standards. The contractors were tolerant of our need to keep working and helped to make us as comfortable as possible under the conditions. We worked in the midst of a dirty, dusty, mess for a while but we couldn't be happier with the outcome. The office is clean, bright, and enjoyed by all who use it.

The end of the year brought the office staff and Town employees together to celebrate the season by sharing a wonderful potluck luncheon and old fashioned Yankee swap. We all look forward to next year's gathering. The spirit of the season touched everyone as they generously donated to the efforts of Nelson's very special Secret Santa.

We think 2012 was quite a year for the Nelson Town Office.

Edie Drinkwater, Administrative Assistant, Anita Treloar, Financial Clerk

Town Clerk/Tax Collector's Report

Edith Notman Teri Upton Julia Lennon

It was a good year, 2012. March saw one of the biggest voter turnouts in history for our election of town officers. Then in November, there was a record turnout of voters at our election for national and state officials. All four elections went smoothly and efficiently thanks to the many of you who offer to spend your day or evening ensuring that our most important duty as citizens of this great country remains on solid ground. I sincerely thank you for your good work.

The summer months found us working alongside the construction crew as they completed the Labor Board mandated

security measures for the town office. The design efficiency is evident, and those of us who work in the newly renovated space are pleased with its creativity and its functionality. It will serve the town well for many years to come. Plans for future building enhancements can be completed without making any changes to our new space. My hat is off to the present board of selectmen and to Edie Drinkwater, Administrative Assistant, who acted as "clerk of the works" along with all of her many other duties. Thank you Dave, Maury, Susan, and Edie for a job well done! It is greatly appreciated.

As most of you are aware, this March my term as Town Clerk/Tax Collector is complete and I am not running for re-election. Edith Notman, Deputy Extraordinaire for more than ten years, is not interested in running for the position. Edith has been an asset to our office from day one. Without a doubt she will continue as a trusted resource to the town.

However, the silver lining in this cloud is Julia Lennon, new Deputy Town Clerk/Tax Collector. Julia comes to the job with a background not only in business, but in human relations. She is competent and amiable, and fits into our office well. I am in hopes Julia will choose to run for the position of Town Clerk/Tax Collector. I have offered to help her in any way I can.

So I will end my report by thanking you all once again for allowing me to serve as your town clerk and tax collector. I have enjoyed my fourteen years working for you. You have shown over and over your honesty and your sense of fairness. You have made my job worth the effort and the time, and I will thank you always for these years when I was able to spend time with you and get to know you, my neighbors and my fellow townspeople.

Theresa M. Upton
Town Clerk/Tax Collector

Municipal Records Board Report

Our board has continued the difficult and time-consuming work of sorting through old records to separate documents that must be kept as permanent town records from routine paperwork, some of which should have been discarded decades ago. The work is tedious and picky. Our board has worked diligently to accomplish its task, and we are proud of what has been completed while acknowledging that much remains to be done.

What has been exciting is finding documents which are unique pieces of Nelson's folk history. These items help to preserve the special character of our community and its history.

We look forward to continuing this work in 2013.

Board members includes: Dave Birchenough; Edie Drinkwater; Susan Hansel, Selectman; Edith Notman; John Shea; Teri Upton, Chair

John Shea *Susan Hansel*
Edie Drinkwater *Teri Upton*
Edith Notman *Dave Birchenough*

Joint Loss Management Committee Report

The JLMC for the Town of Nelson was organized in 2012 under the direction of the NH Department of Labor.

The purpose of the JLMC is to bring workers and management together to promote workplace safety. The committee meets to develop and carry out workplace safety programs, and to promote continuing education for employees on workplace safety.

In 2012 the committee developed a written safety program which was submitted to and approved by the NH Department of Labor.

The membership consists of (6) members equally representative of management and labor (employees). The management representatives are appointed by the Board of Selectmen. The labor representatives are chosen by the employees safety committee and shall serve a two year term.

The committee shall elect a chairman annually and the position will be rotated between management and labor.

The 2012 membership includes: Robert Jones, Chair, Labor; Jason Walter, Labor; Edie Drinkwater, Labor; David Upton, Management; Richard Lothrop, Management; Richard Pratt, Management

Archivist's Report

Bert Wingerson

Susan Hansel

In addition to the usual organizing and indexing of material in the archives, this office has worked with the Nelson Municipal Records Board throughout the year to evaluate records found during their reorganization of town records that the Board thought might be of enough historical interest to be incorporated into the town archives. Numerous records have been reviewed and many have been entered into the archives.

We thank the Records Board for the enormous task that they have undertaken with dedication, integrity and determination to organize the vast accumulation of town records that found their way over many years to the second floor of the old school house. The project is still in progress.

A wonderful addition to the archives was donated

this year by Nancy and Ray Foster of St. Petersburg, Florida. A sampler made by Sophia Griffin in 1801 was returned to the place where it was made so many years ago. In faded lettering, it reads "Sophia Griffin, aged 11, Packerfield, 1801." Sophia was the granddaughter of the first settled minister of the Nelson Congregational Church and the sister of Gen. Samuel Griffin. She was born and lived in Nelson all of her life. The sampler was hand-delivered by the Fosters this fall and is now framed in an archival mounting to protect it for many more years. The sampler is on display in the History Corner now located in the foyer of the town offices.

We are at work in the Archives on Tuesday morning and welcome the addition of any material of historical interest concerning the town of Nelson that you might wish to donate. We will be glad to help you with research concerning genealogy or town history.

Respectfully submitted, Bert Wingerson, Town Archivist; Susan Hansel, Assistant

Trustees of the Trust Funds Report

Tom Newcombe

Trisha Jones

Edith Notman

The Town's participation in the Public Deposit Investment Pool (PDIP) continued to afford modest, stable returns in 2012's rather volatile investment climate, and no changes are presently contemplated.

Any residents who would like information on Nelson's investment policy are invited either to contact a Trustee or to attend one of our meetings.

Respectfully submitted,
Trisha Jones, Tom Newcombe, Edith Notman, Trustees

Cemetery Board Report

In 2012 the Cemetery Board continued working on the beautification of our cemeteries. Completed projects at the Nelson Cemetery included refinishing the gates at the main entrance and putting down gravel to define the main driveway more clearly. At both cemeteries repair of memorial stones was completed and overdue landscape maintenance and reclamation of overgrown areas continued. Bob Jones, who was hired as cemetery sexton in 2012, has continued the practice of utilizing inmates from the Cheshire County Jail for maintenance of the cemeteries, a considerable economy for the Town.

In 2013, in addition to continuing maintenance and reclamation, we intend to extend the ground cover plantings on the embankment of the Munsonville Cemetery. We also have two major "indoor" projects. The first is the updating and, as necessary, correcting of cemetery maps and spreadsheets for Section Two of the Nelson Cemetery. The second is a revision and expansion of the cemetery Rules and Regulations, and we plan to invite comments from the Nelson community as we work on this updating. When the new Rules and Regulations pamphlet has been printed, copies will be sent to all current burial lot owners and will also be available in the Town Office.

Copies of the map showing burial lots in Section One, previously called "the old cemetery," are still available in the library and the town office, and the information can also be found in Parke Struthers' *History of Nelson*. If all goes smoothly, we also hope to have the Rules and Regulations, the maps of Sections One and Two, and two past Eagle Scout mapping projects of the Munsonville Cemetery available online before the end of 2013.

In 2012 there were two full burials and no cremation burials in the Nelson Cemetery, and no lots were sold. There were no burials in the Munsonville Cemetery.

We invite you to visit our cemeteries and see for yourselves their improved condition. As always, Board members welcome comments, questions and suggestions from Nelson residents.

Respectfully submitted, Trisha Jones, Chair; Marty French, Judi Lang, Tom Newcombe, Edith Notman; Bob Jones, Cemetery Sexton

Police Chief's Report

Robert O'Connor Richard Pratt
Not pictured: Brian Lord

This year seems to have just flown by. A number of events took place in 2012; most were good but some were not. It seems like yesterday that we co-sponsored the First Annual Halloween Party for local children (young and old). Everyone involved felt that it was a great success.

Unfortunately, we had four major burglaries in Town resulting in thousands of dollars in property damage and stolen items. Since the burglaries, we have had many citizens give descriptions of unfamiliar vehicles and people in their neighborhoods. Please continue your vigilance and try to get a license plate number or good description of any person who raises suspicion. We received a total of 584 calls during the year ranging from simple animal complaints to domestic and JV issues.

During the summer we participated in a major cleanup project on Granite Lake Road. This was necessary since the Town decided to use inmates from the County Jail for manual labor. I donated approximately \$3,000 in equipment for use on the project. Tons of household waste and junk was removed. The area was mulched and seeded.

We have all had the pleasure of driving on Nelson Road since its reconstruction by the State. However, the State ran out of funds and was unable to paint any lines on the road. This was a safety issue as a number of people ran off the road during conditions of reduced visibility. The Police Department was able to find funding and a contractor to paint the lines late in the year. I would like to thank the following donors for thinking about the safety of everyone in the community who uses the road and making this possible: Jack Bradshaw, David Upton, Dennis Dellagreca, Troy Tucker, Sam Osherman and Sarah Wilson.

We feel it important to report that for the last few years the Police Department has been working closely with the Nelson School Principal in the areas of safety and security. We intend to make our schoolchildren and the faculty as safe as possible.

Please remember that any time you have a concern relating to an issue that the Police Department can assist with, call and speak to any member of the department. WE ARE HERE TO SERVE.

Respectfully,
Chief Richard Pratt
Sergeant Robert O'Connor
Officer Brian Lord

Road Agent Report

After the record-breaking Halloween snowstorm of 2011, the rest of the 2011–2012 winter season had no snow to speak of. With no snow to help insulate the ground, frost extended deeper into the roadbed. This made for a two week long mud season that was one of the worst in several years. For the newer residents in town, this may have seemed like a nightmare that lasted for several days. For the residents who had previously experienced these types of conditions many, many years ago, this made for stories of recollection to be told around the dinner table. The funds that were saved during such a mild winter were certainly made up with the necessary purchasing of crushed stone and the overtime needed in an attempt to make roads passable.

The end of May brought rain. In one storm, somehow, luck was with us. The Town of Nelson received four inches of rain in three hours while neighboring towns experienced over seven inches of rain in this same time period. The Town of Sullivan took the brunt of this storm with severe flooding and several roads made impassible, the Nelson Highway Department was available to offer a week's worth of assistance to help with the recovery.

The rest of the summer was quiet for the Highway Department. There were no additional projects passed or assigned for the road crew over the summer. Normal road maintenance was performed with the grading of roads, cleaning of ditches, upkeep of culverts, and roadside mowing. Over the summer, the Town did see much needed improvements to the Nelson Road. For several weeks, many residents became familiar with the Continental Paving trucks and crew that were hired by the State of New Hampshire for reclamation of this road.

As always, the hauling and compiling of winter sand was done in the fall as part of winter preparation. As part of normal road maintenance, the removal of hazardous trees takes place each summer and fall. With differing concerns by residents, a project involving Town Selectmen, Highway Department, and Public Service was put into place. Although not yet complete, with a later start to the 2012 winter storm season, a good start to necessary removal has been made.

Nick Barrett

Maury Collins (community liaison)

Mike Tarr

I would personally like to thank the Selectmen, members of the Road Equipment Committee, and the other Town Officials for all of their help and support. As always, thanks go out to Nick Barrett for his many hours of hard work this past year.

The Highway Department does appreciate updates on road conditions in your area. The Road Crew will respond to any problems in a timely manner.

Respectfully submitted, Mike Tarr, Road Agent

Planning Board Report

The Planning Board began the year with almost entirely new members. The Board considered initially where best to direct its work. After some consideration of the Town Master Plan, the Board decided the appropriate place to begin was with the Board's Rules and Procedures. The Board is revising the various forms and application procedures to make the process as transparent as possible for Town residents.

The Board also considered whether current Town Zoning Regulations were sufficient to deal with cases where new zoning regulations might affect potential use of a lot. After discussion, the Board decided that the current procedure of having such matters dealt with by the Zoning Board of Adjustment was appropriate. There was no need for a specific clause in the Zoning Regulations, other than to direct concerned residents to the ZBA.

The Board dealt with one application for the voluntary merger of two lots and one application for a boundary line adjustment. The Board approved both. The Board is currently without the full number of members, so we are looking for alternates and future board members.

Respectfully submitted, Eric Sandberg - Chair, Nelson Planning Board

Eric Sandberg *Julia Lennon*

Dave Upton
Dennis Dellagrecia

Zoning Board of Adjustment Report

The Zoning Board of Adjustment held five hearings in 2012, which represents a significant increase from the year before. John Cucchi and Michelle Lange joined the board in March and jumped into their duties straightaway. Julia Lennon was hired as our new clerk and helped to get our scheduling and organization back on track. The refurbished Town Offices are a welcome new venue for our meeting and hearings. As always, we welcome any town resident who would like to serve as an alternate. Please contact Richard Popovic if interested.

Agricultural Commission Report

In our first full year of existence, the Agricultural Commission has met 10 times and been very active. By our April meeting, we had brainstormed many ideas and set priorities for the year's activities. Primarily, we see the Commission as having an educational mission with a hands-on approach: we aim to teach and demonstrate topics of agricultural interest and importance for the town's benefit.

To this end, we worked with the Old Home Week Committee to develop a program for "Ag Night" during the annual summer celebration. The event was attended by 25 people who saw and participated in a handful of demonstrations. Both the Agricultural Commission and Old Home Week Committee believe this effort will expand in the future.

Continuing this theme, the Agricultural Commission is presently engaged in dialogues with the Elementary School and the Nelson United Congregational Church, to see what projects we may collaborate on.

For the first half of 2012, our energies were devoted to the attempt to launch a Farmers' Market. We held several meetings with our counterparts in Harrisville to develop a schedule and guidelines for the market. We spent money on advertising and beautiful signage (thanks, Max Nunnemaker!). In April we held a public informational meeting, at which over 20 potential vendors from the two towns expressed enthusiastic commitment.

Unfortunately, we soon encountered several legal and liability issues which, despite our concerted efforts, quickly exhausted our limited resources of time and money. As a result, Nelson was not able to host any markets. However, our disappointment was lifted as Harrisville volunteered to pick up the remainder of Nelson's scheduled dates. Thanks and appreciation are due to the Harrisville Agricultural Commission, and to the many Nelson producers who ramped up their production in anticipation of our market. One outcome of the difficulties was that the Agricultural Commission has now spun off the Nelson Farmers' Market as a separate entity; as of this writing, talks continue with Harrisville for future markets.

There were personnel changes this year. Barbara Fraser joined as a regular member, when Michael Iselin stepped back to alternate status. In the summer, we regretfully accepted the resignations of Gigi Batchelder and Margaret Schillemat; however, we are pleased to welcome new members Judi Lang and Jacqueline Roland in their places.

As always, we invite visitors to attend our meetings on the first Wednesday of each month.

Conservation Commission Report

There was a small property taken by the Selectmen for taxes in 2012. This property is located across from John Bunce on the Granite Lake Road. A clean up of this property was performed. This project was accomplished with the guidance and blessing of the Selectmen. The Selectmen directed the Nelson police department to clean the site, returning it to its almost natural state. This project was accomplished with a combination of police department funds and donated labor and equipment services. Trash was cleaned from the stream and everything that mankind had abandoned on this property was removed. Richard Pratt gets a big thank you from the NCC for work well done. The Conservation Commission recommends that this 1 acre property bordering wetlands be retained by the Town as open land for access to the meadow across from the Nelson School. It would be a good project for Boy Scouts, Trail Committee or other group to create a park or nature trail that town's people and school children could use.

There was a great turnout for annual trash pickup day. Many thanks go to both those who organized this activity and the hearty souls who walk the roads to comb out the debris and clutter that has accumulated over the prior year. It is really great to have our roadsides receive this extra cleanup just before Old Home Days. Heartfelt thanks also to all the regular walkers who walk with a bag all year along and pick up trash as they go. Thanks for caring about our Town and our environment.

There were a few calls on permits, and a few complaints that were investigated and addressed, but all were taken care of mainly by explaining the laws of the State of New Hampshire to the parties involved. Gentle reminder to all: please check before you dig, clear land, or cut brush especially if you are near any water, streams, or wetlands. You may be under the jurisdiction of the shoreline protection act of the State of NH. If you have any questions, the NCC is a resource and would be glad to come and do our best to answer any questions you have. Knowing the laws can help you expedite your project.

Thanks also to those who supported the Lake Hosts program. Our lake Hosts are vital to stopping the spread of milfoil to our ponds and lakes in Nelson.

*Anne McBride Kathy Schillemat
Bert Wingerson Marshall Davenson
Not pictured: Winston (Bud) French*

The Nelson Conservation Commission continues to provide information on conservation matters for the Town, review DES permitting issues and discuss environmental concerns. Our monthly meetings are held on the 3rd Tuesday of every month at 7PM in the Olivia Rodham Library.

As Chair I wish to sincerely thank my board for their time and work on the Commission, serving the best interests of our community and the environment.

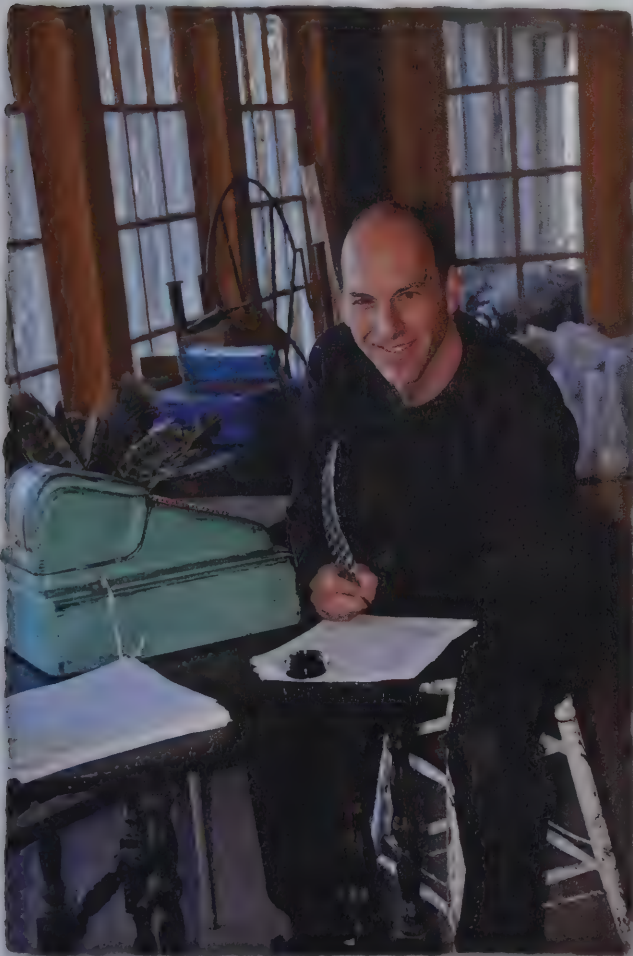

Respectfully submitted:
Winston (Bud) French,
Commission Chair

Auditor's Report 2011

A number of the financial reports printed in the 2010 and 2011 Town Reports had significant errors. The financial reports handed out at those town meetings were far closer to the actual numbers.

This report is in accordance with RSA 21-J:19 which says in part,

"... A written or printed report of every completed audit shall be made to the proper local officials including a summary of the findings and recommendations of the auditors and a copy of such summary shall be published in the next annual report following the fiscal year in which the audit was completed."

Terry Mednick

Observations - Part 1. General Ledger & Financial Records

Comments on procedures or areas of weakness:

2011 was an improvement in some areas from 2010. But there were still significant deficiencies. The chart of accounts was still a mess with deposits and checks often mis-categorized and inconsistent.

Although incompetence and lack of oversight was rampant, I found no missing funds. The errors are well within the amount of the overlay, and with new people in place, I feel we can wait to see how all the numbers shake out in 2012.

At the end of 2011 the selectmen hired 2 new people to manage the finances. They have started to better organize the system and appear to be far more competent.

Recommendations:

Continue the process of reorganizing the books and procedures.

New backup tapes should be purchased and perhaps used on a monthly basis for a longer backup retention (in addition to the weekly backups.)

On a minor note, all timesheets should be signed by the employee.

Observations - Part 2. Treasurer

Comments on procedures or areas of weakness:

Treasurer and town use the same books.

Recommendations:

Treasurer should maintain separate books from town general ledger so that there is a double check.

Observations - Part 4. Trustees of the Trust Funds

Recommendations:

Try to move funds other than on the last day of the year.

Observations - Part 5. Town Clerk

Comments on procedures or areas of weakness:

In going thru this section I found what I see as a significant issue, though it is with the state motor vehicle registration system. The main area I came across were fees not listed, yet sometimes included in the total, and other times not included, such as with title fees, and duplicate copy charges.

Out of the 36 entries (1 deposit) I checked, 3 town clerk copy of auto registrations were missing as well.

Recommendations:

The state Department Of Safety is aware of this issue, and I have also notified the DRA. In the mean time, I would suggest the clerk stamp in the title and minimum fee charges, and write the total that matches what they actually collect.

The town clerk should also find the reason for the missing records.

Observations - Part 6. Library

Comments on procedures or areas of weakness:

Only one person approves bills, makes out and signs checks. Gifts to memorial funds handled in various ways.

Recommendations:

Get board approval for checks and auto debits. Handle memorial funds consistently.

Respectfully submitted,
Terry Mednick
Town Auditor, Nelson, NH

Library Treasurer's Report

Your library continues to operate within its budget as usage continues to increase. The Olivia Rodham Memorial Library has been recognized on a state-wide level twice this year. Our librarian, Kristine Finnegan, received the New Hampshire Library Director of the Year Award from The NH Library Trustees Association. The town web site, hosted and maintained by Gordon Peery and sponsored by your library, was the editor's pick at NH Magazine for "Best Municipal Website." We have much to be proud of.

There have been some wonderful contributions and gifts to the library this year as well as some disappointing and dwindling income sources. Our grant from The New Hampshire Charitable Foundation continues to be less than expected and less than previous years. Our Memorial Funds do not generate the interest they once did. As a result, the principal, instead of the interest, in several of these funds is being used to purchase books. Thankfully, this year two generous gifts came to the library for the purchasing of books: one from The Friends of the Library and one from Dix Campbell. These gifts made a huge difference in what we would

have had to withdraw from our Memorial Funds.

Progress on the "Automation" project has been moving more quickly than we had anticipated. Since the project is being funded by a very generous gift from E.C. & V. Taylor, the decision was made to keep the work going beyond what was originally scheduled. These monies are being used to automate the library's cataloging and circulation system using "Library World", a web-based support system. The "Automation" project is due to be completed some time this year.

Donations to the Library always play a large part in updating our collection. Our donors are The Friends of the Library, and George and Frances Alderson in memory of Bob and Hallie Robinson. Other Library funds used to purchase items for the collection were the Hardie Shepard Children's Book Fund, Marcia Sexton in memory of the Wiecherts, the Nori Putzel Memorial Fund, the Ruth Lape Fund, The Nelson White Fund and the Henry Melville Fuller Fund. Many donations are made also of actual books, audio visual materials, and magazines. Also to be mentioned are the Suttentfield Fund for programs, a donation from Dix Campbell, Teri Upton's donation and the Taylor donation for library automation.

Summer Reading

The Nelson Library summer reading program used the theme of **Dream Big – Read!** Reading can take you places, and this summer the Nelson Library went out of this world! Kids were invited to join the galactic space adventure each week for an hour of stories, games, crafts, and fun! This annual statewide program is sponsored by CHILIS (Children's Librarians of NH) and organized and presented by volunteer, Jacqueline Roland. For the summer finale the Nelson Library presented "Science Works!" with the Cabinet of Scientific Curiosities. (Funding for Kids, Books and the Arts was provided by the **NH State Library, CHILIS, the Cogswell Benevolent Trust, the Bryne Foundation, the NH Library Association** as well as a grant from the **U.S. Institute of Museum and Library Services** and by the Suttentfield Fund.) We awarded Toadstool gift certificates (donated by the Friends of the Library) and presented prizes (donated by 10 local businesses) to readers. During this reading program 15 kids read 172 books.

Jennifer Fraser Kris Finnegan

Friends of the Library Annual Book Sale

The Book Sale and Friends Memberships enables the Friends of the Olivia Rodham Library to donate \$1000.00 for new books, pay for the summer reading certificates for the children, provide money toward children's programming and pay the \$395 annual fee for Library World. Books are donated all year (at the end of this year Rick Lothrop donated over 500 books) so that there is always a good selection for sale. The Friends also encourage everyone to become members of the Friends knowing that the money goes back to benefit the library. The officers are as follows:

President - Susan Hansel, Treasurer - Betsey Church, Secretary - Carol Heath, Members at Large - Sandy Ferguson, Elaine Giacomo, Martha Collins, Pamela White, Sara Sandberg.

Books \$647

Member dues \$628

Book bags \$21

Total \$1,296

Barcoding

The Olivia Rodham Memorial Library staff is in the process of automating the library's cataloging and circulation system using "Library World," a web based support system. Our ongoing project is to bar code all of the library collection. This will enable the library to have current circulation records on all items in the library, a catalog that is up to date and easy to access, and to email automated overdue notices. Patrons can now see what is available in the library and reserve material via the internet from their home or their smart phone.

The web address is <http://opac.libraryworld.com/opac/signinlibraryname=nelson>. Patrons may also request an email of current items they have checked out. Completion of this project (made possible by a gift from the Taylor Fund), will take one more year. The library still offers the traditional services if you prefer the library to be just as it was. No internet is necessary.

Nelson Library Summer Forum for 2012

July 5 – Teri Upton: “The Pennsylvania Settlement, an Art Colony in Nelson, NH” with music by Linda Singer and Vladimir Odinokokh.

July 12 - Rich Popovic: “Locally Grown Music for Locally Grown Kids: Writing and recording children’s music in Nelson” with music by Wayland Tolman-Anderson.

July 19 - Apple Hill Center for Chamber Music: “Playing for Peace” featuring international students from the Playing for Peace program.

July 26 - Eric and Sara Sandberg, “Adventures in the Foreign Service” with music by “The Old Grey Cats.”

Adult Programs

The adult book group meets once a month on the third Monday. We read and discuss novels, memoirs and biographies. Game night was a great success. During the winter months more than a dozen of us met on the first Tuesday to play Scrabble, Dominoes, Bananagrams, Trumpet and other games. The library has become a place for many conversations and activities, both serious and enjoyable, among the community members.

Emergency Management Report

Major effort this past year in support of Emergency Management activities involved working with Lisa Murphy from Southwestern Regional Planning Commission and other town officials to update the town's Hazardous Mitigation plan. It has been a few years since this plan had been updated. We had a series of 5 meetings to review and discuss the needed changes and updates. Presently Lisa Murphy is finalizing those updates and will be providing the updated the plan.

Additional updates were also done to the E911 database through the state and attended meetings with the regional NH HSEM Field Services.

As in past years I would like to thank all of the townspeople who have helped this year in supporting our Emergency Management activities. As we move ahead, continued work will be done to better prepare ourselves for any type of emergency.

Respectfully Submitted,
Rick Lothrop
Emergency Management Director

Fire Log

Chemical Spills/Gas Leaks – 1	Chimney Fire – 2	Hazardous Condition - 3
Down Power Line – 5	EMS Rescue – 39	False Alarms - 8
Investigations - 2	Motor Vehicle Accident – 3	Motor Vehicle Fire - 0
Mutual Aid - 2	Brush or Woods Fire - 2	Service Calls - 2
Non Permit Burn - 3	Other - 2	

Fire Chief's Report

Our fire log as shown above is showing a slight decrease in the number of calls compared to last year. Last year our calls had almost doubled compared to the previous ten-year average, where we had been averaging around 38 calls per year. This year we have had 65, a slight drop from last year. Rescue calls continue to dominate our activity.

This year was a major rebuilding year for our Rescue Squad. Upon the required state license renewal during the start of the year, we found ourselves with no licensed EMR's (Emergency Medical Responder) or EMT's (Emergency Medical Technicians). A call to the members of the department and to the people of Nelson brought forward nine people, including the Chief of Police, who registered and completed an EMR course put on by the Academy of First Responders from Greenfield, NH. As this is being written, these people are working through the process of taking the national test. Some participants have passed the national test and now have or are working on becoming certified through the state. This has allowed us to renew our rescue license, which in turn allows the town's rescue group to now respond to rescue calls as well as provide Mutual Aid assistance to the surrounding towns.

As part of this effort of rebuilding the town's rescue squad I personally want to thank the Mutual Aid system and the surrounding towns of Harrisville, Stoddard, and Sullivan for stepping up during our time of need by providing emergency medical services to our town.

Thanks to an anonymous donor, we have completed phase one of our AED updates for the town. Three AED's stationed in strategic areas of the town have been updated. This year we have a warrant article for the replacement of the remaining units that need to be updated. Please help support this article so that we can finish this project and provide this critical tool for townspeople in support of emergencies.

At this year's town meeting we are asking for your support with regard to a special article for purchase of a used fire engine in replacing our old Engine #1. Engine #1 has been out of service and retired for the past 4 to 5 years. We need to replace this fire truck in order to provide better firefighting service to the town. We have an excellent opportunity to purchase a used fire engine from the City of Keene at a very good price. It is in very good shape, has been maintained very well and has a good service record. We definitely have the need for a backup engine to support our fire operations. The article will cover both the purchase of the fire engine and the purchase of the needed equipment to put it in service.

With regard to the state requirements and the management of the town's Joint Loss management group, all requirements of the fire department have been met. The state requirements for the Fire Department buildings have been completed to provide for a safe working environment. All storage areas have been updated by complete removal of unused equipment or relocation to appropriate storage containers. A hazardous material storage container is now in use at our Center station and an eyewash unit has been installed. All department members have undergone review of the Fire departments Policies & Procedures and the Town of Nelson Safety Manual. The second manual provides for written safety policies and procedures to prevent incidents, injuries and illness. As part of this activity a major effort was put forward this year in updating personnel records for the department members.

Rick Lothrop

Remember, be sure to call the town Forest Fire Warden, myself, or either of the Deputy Wardens, Bud French and Charlie Lang, for a burning permit. Permits are required even if raining, unless there is an inch or more of snow on the ground.

Also; check your smoke detectors and replace the batteries on a regular basis, at least annually. If you don't have a smoke detector, please purchase one or two and install them in the appropriate locations. These units may save your life or your family's someday.

Again as in years past, I would like to thank all the active members for their continued effort, support and hours of volunteer service. I'd also like to thank the surrounding towns for their mutual aid assistance when needed and our fellow townspeople for their support at the various emergency scenes. Remember, to report a fire or other emergency, **DIAL 911 or 352-1100.**

Respectfully, Rick Lothrop
Nelson Fire Chief
Nelson Forest Fire Warden

Memorial Day Ceremony Report

The 2012 Memorial Day Ceremonial Parade was held on Sunday, May 27th, in Nelson Village to honor our armed service men and women of the present and remember those of the past. The Nelson community came together as our very own Nelson Town Band played patriotic music that echoed across the hills as people gathered around the common.

Nelson veterans led the parade around the common, stopping to place geraniums at each war memorial. The parade then proceeded to the Nelson Village Cemetery with the beat of the drum and the waving of flags. All gathered in front of the monument in the center of the cemetery as our Scouts and young people placed geraniums at the veterans' gravesites. Reverend Dawn Garrett-Larsen, minister of the Nelson Congregational Church, offered words of remembrance for all members of our nation's armed services past and present, especially those who are serving in conflicts around the world today.

To close the ceremony the band played The Star Spangled Banner, which was followed by a rifle salute and Taps.

Respectfully submitted,
Kathy Blaudschun

Old Home Week Committee Report

The 134th Nelson Old Home was celebrated on Saturday, August 18, 2012

Highlights of Old Home Week activities included:

- Old Home Sunday Worship Service at the Nelson Congregational Church
- Monday Nelson School Carnivals
- Monday Night Contra Dance
- Tuesday Evening Apple Hill Music Center Concert
- Wednesday Night Olivia Rodham Memorial Library: Special presentation "How Science Works"
- Wednesday Night Ham and Bean Supper held at the Nelson Congregational Church
- Thursday Afternoon guided Hike on the Sawmill Trail
- Thursday Night Nelson Agricultural Comm. Agricultural Demonstrations
- Thursday Night Mock Drive-In Movie
- Friday Night Old Capture the Flag @ Nelson Ball Fields

Saturday:

- Old Home Day Games on the Common
- Friends of the Olivia Rodham Memorial Library Book Sale
- Nelson Town Band Concert
- Nelson Congregational Church Chicken BBQ

Old Home Day began with:

Nelson Village was humming with people preparing for the book sale, games and chicken barbecue. Lines formed while waiting for the Friends of the Library book sale to open. Families were arriving with their bikes and frogs. They came prepared for one of their favorite activities, the games! They began as crowds circled around the frog jumping contest and lined the finish line of the marathon. The other favorites followed with: wheel barrel races, sack races, egg toss, watermelon eating contest, three legged races and the famous tug of war!!

The Nelson Town Band began playing at noon on the church lawn as everyone gathered to eat their picnic lunches or Chicken BBQ. This year celebrated the Nelson Congregational Church Chicken Barbecue's 25th Anniversary. Ribbons were presented for winners of the morning games followed by our guest speaker.

Our speaker this year was the new Executive Director of the Harris Center, Jeremy Wilson. He spoke of his role as the new executive director. He also shared his interest in getting involved with the region's conservation issues and helping to refine education and conservation programs.

Nelson Fire Department Water Ball Contest came next, followed by the softball game at Eagle Field. No experience necessary and no age limits in this ball game!

The committee would like to thank all the people and organizations that donate their time and energy to keep this very special Nelson tradition of Nelson Old Home Week alive and well!

Respectfully submitted,

Nelson Old Home Week Committee: Kathy Blaudschun, Maureen and Brian Lord, Julio Razquin, Richard Pratt, Kathy Schillemat, Beth Williams.

Granite Lake Village District Report

Annual Meeting 2012

John Halter, moderator, opened the meeting at 9:05 A.M. April 21, 2012 by reading the warrant.

Article 1. To choose one commissioner for the term of three years and to see who the inhabitants of the District will elect for the offices of auditor, treasurer, moderator, and clerk, each for a term of one year. Nominated for commissioner, Phil Hamilton; auditor, John Halter; treasurer, Barbara Ropiecki; moderator, John Halter; clerk, Sally Ripley.

The article was appropriately moved and seconded; the vote was affirmative.

Article 2. To see if the District will vote to raise and appropriate the sum of \$1,500.00 to defray village district expenses for the ensuing year and make appropriations of the same.

The article was appropriately moved and seconded; the vote was affirmative.

Article 3. To see if the District will vote to raise and appropriate the sum of \$5,000.00 to add to the Capital Reserve Fund for dam maintenance/repair/ replacement est. Dec. 2008.

Phil Hamilton explained the need for more money in the reserve fund. The dam will require refacing in the next few years, and the state inspectors could come at any time and tell us we need to do it ASAP. Ron Ferguson requested an amendment that would raise the amount to \$10,000 per year. Someone asked how much the extra would boost the tax in Dec. Barbara and Phil replied it would only be a few dollars.

The amendment was appropriately moved and seconded; the vote was affirmative.

Then the article was appropriately moved and seconded and the vote was affirmative on that as well.

Article 4. To see if the District will vote to raise and appropriate the sum of \$750.00 to purchase liability insurance to cover the District.

Barbara Ropiecki replied that the amount has not changed, and it is now locked in for 3 years, this being the first of the 3.

The article was appropriately moved and seconded. The vote was affirmative.

Article 5. To see if the District will vote to appropriate the sum of \$2,000.00 for the purpose of installing a walkway and new posts to hold the boards [of the dam] in the way the state requires, with said funds to come from surplus.

Phil explained that some of the work has already been done -new boards purchased and installed temporarily. Sally mentioned that a taxpayer who was not present had voiced concern that it should be put out to bid. Phil said he would be happy to do so, but then an engineering study of the project would need to be done in order for a bid process. Phil hinted that it would probably cost more than just finding someone good to do [such a small] job.

Question from the floor: How high will you be keeping the water this summer.

We might be at 26 or 27 inches (above the spillway) 2-3" above the boards.

The article was appropriately moved and seconded. The vote was affirmative.

Article 6. To see if the District will vote to have its next meeting on Sat. April 20, 2013 at 9:00 A.M. at the Chapel-by-the-Lake in Munsonville, NH.

Some discussion about moving the meeting back to Sundays, possibly in another location at 10:00 so to have it not conflict with church services. No change was made.

The article was moved and seconded. The vote was affirmative.

A motion was made to adjourn, it was appropriately moved and seconded. the vote was affirmative. Meeting adjourned at 9:28 A.M.

Respectfully,
Sally Ripley, clerk
